Fall 2014 Major Courses

The following courses will be offered in Fall, 2014 and may be used toward the open-ended requirements for the majors indicated. It is accurate as of March, 2014. Check my.pitt.edu for the most up-to-date schedule. Students may petition for other, unlisted courses to count toward their majors on a case-by-case basis.

Note: this is not a list of all classes that will be offered in the Fall 2014 term. Core requirements and other mandatory courses are not included here. These lists only include the courses that may be used to fulfill the open-ended major requirements in each program.

These courses are offered in other schools at the University of Pittsburgh, but may be of interest to GSPIA students. If you would like to enroll, you will need to get permission from the department/professor offering the course. Note that all of these courses are graduate-level and may expect some prior background in the material, so you are urged to learn more about the requirements and expectations before you enroll. These courses will generally count as GSPIA electives, but may count toward your major with prior approval.
