Approved UAP concentration course
Approved UAP concentration course

All minors require a total of 9 credits of coursework.
Students must declare the minor with their academic advisor before they complete 36 credits.
With approval, appropriate courses may be substituted for those listed above. Contact your academic advisor for approval.
No course may be double counted. Any course taken to fulfill a requirement for your degree or concentration cannot also count toward your minor. In such cases, an approved course must be substituted. Please consult with your academic advisor about any substitution.
